Welcome to Our Office

Our doctors specialize in the diagnosis and treatment of pediatric eye disorders and adult strabismus. An initial eye evaluation takes approximately 1 – 1 ½ hours, and will usually include placement of dilating eye drops. Please budget enough time for your visit. We accept a wide range of insurance policies (see list below), and please bring all medical insurance cards with you. If your plan requires a referral, be sure to bring it with you. If it is being faxed, call to confirm that our office has received the necessary documents. We look forward to meeting you.
